TRANSPORTATION SERVICES

"We go the extra mile.....
to get your job done on time and with strong
commitment to quality service.
Your delivery is our # 1 priority. "

About Us

A&M Quality Transport Incorporated is expected to conduct business in accordance with the highest ethical quality service standards. It is very important to us that we continue to grow our quality logistics business and make our customers happy and satisfied with the quality transportation services we provide, with our hard working drivers, punctuality and reliable trucks we have earned a positive reputation in the transportation and shipping industry. We have earned and maintained our solid reputation by consistently doing what we say we are going to do, punctuality and customer satisfaction is our #1 priority in our transportation business.

Maintaining these high standards of quality transportation services is important to our long-term growth and success. We take our business and our responsibility seriously to ensure that our Company conducts business fairly, honestly and ethically at all levels. These are the values on which A&M Quality Transport Incorporated was built and continues to be the leader in LTL & TL Freight services.

We will beat most competitor prices!!

History

A&M Quality Transport, Inc. started with one truck in Bartlett, Illinois. Within the first few years the business expanded to include several trucks. As reputable service continued, the customer base expanded. New equipment and additional personnel were needed to accommodate the increase in customers.

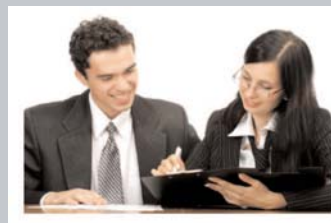

Mission Statement

A&M Quality Transport Incorporated is dedicated to provide safe, affordable and convenient transportation services for your business.

We go the extra mile to deliver your job on time and with excellence. Your delivery is priority # 1.
